2. CONTROLLING AND DELETING COOKIES

There are two types of cookies:

- Session cookies, which expire as soon as you close the browser and are mainly used to help you navigate the site by storing information on your location and the pages you have visited.
- Persistent or permanent cookies will remain on your computer once you close your browser down until expiry or deletion by you. These are mainly used to personalise the website, so that it remembers you from previous visits and can display relevant information.

Cookie Consent tool

Our cookie consent tool [include link] can be used to customise your cookie preferences. The consent tool specifically controls the non-essential cookies used on our website (www.healometx.com). Essential cookies cannot be disabled using this tool.

Using Browser

You can set your browser not to accept cookies. To disable cookies through your browser, follow the instructions usually located within the 'Help' or 'Tools' menu of your browser. Further information on how to remove cookies from your browser can be found here: <https://allaboutcookies.org/>. In a few cases, however, some of our site features may not work as a result. Also, note that disabling a cookie or category of cookies does not delete the cookie from your browser unless manually completed through browser function.

3. CHANGES TO THIS COOKIE POLICY

We may amend this Cookie Policy from time to time. Please check this Cookie Policy regularly to ensure you understand the terms that apply at that time. This Cookie Policy was last updated in March 2022.
